## 2019 SCHOOL YEARBOOK

Thank you to those who took the time to reply to our survey on your interest in purchasing a 2019 Gooseberry Hill Primary School Yearbook.

There was sufficient response to enable us to proceed with this project. As mentioned, 2018 was the first year we undertook the production of this publication and it was a good learning curve. We already had ideas for changes and we have read your suggestions and taken them into consideration where possible.

While many parents would prefer to pay less, the cost is determined by the photography company on the size of the print run. The actual cost for an order of 100 books is \$45 per copy and for 200 is \$30. This is why we needed to ascertain interest in the project before we set the price. This is also why places like high schools can charge much less, because they have far more students to offset the cost.

There is a copy of the GHPS 2018 Yearbook in the office if you want to have a look before placing an order. The 2019 Yearbook will contain reports by the Principal, School Board, P&C and Student Leadership. There will be a class photo from each class and a Class Report from each room. There will be group photos of the Student Leaders, Orchestra and Senior Choir. There will be a section on each Academic Area: Science, Maths, English, HaSS, Languages, Digital Technologies, Physical Education, Music, Visual Arts and Academic Excellence. There will also be reports and photos of the various special activities the school undertakes throughout the year, such as ANZAC day, Challenge Walk, Kanyana etc.

We have redesigned the Yearbook so that we can include more photos across all year levels of your child's daily school life.

There will be a Year Six Section which will include each class photo, the Graduating Class photo as well as articles and photos from the various activities they take part in throughout the year such as the Camp.

This year we will also be including a section on the end of year award winners which will make a wonderful keepsake, especially for the Year Six students. Obviously this means the book will not be able to be released until after award presentations the last week of school.

We have been able to negotiate a discounted price of \$35 if we place an order before 29<sup>th</sup> June, which means we need firm orders from parents. In order to take advantage of this cheaper price we need **payment by no later than 27<sup>th</sup> June**. Please complete your details below and return to the school office. Some parents mentioned this would make a great gift for grandparents so please feel free to order as many copies as you like.
